Mr. Arnold, I believe the attached figure shows the locations for the sampling performed on April 19, 2017.

Please let me know if you need anything further.

Subject: Linden Sampling Results

Mr. Gorin:

I just spoke with Krista Yacovone and she suggested that I reach out to you. I submitted a FOIA back on June 14th (FOIA # is EPA-R2-2017-008410) for any sampling results, reports, etc. for sampling conducted by EPA in April 2017 along the border of the LCP and LPH sites in Linden, NJ. I received a response in July that provided the attached spreadsheet, but nothing else. Can you please provide any corresponding figures that would show the locations at which these samples were collected? I

appreciate any information that you can provide. Thank you.

Regards,

Adam C. Arnold, Esq.
